Dear Committee,

Hello once more. This week's meeting will again be on Wednesday at 8:00 pm, upstairs in the Mitre. Apologies in advance to me if you can't make it.

Also don't forget Stephen Tumim on Tuesday (turn up nice and early to do your best scary bouncer act) and the French drinks party on Friday. Come along and bring your friends (if you have any after spending every night of your life at ORC events). See you there.

Ian.
